FARM COMBINED POLICY

Introduction

This is **your** Farm Combined Policy made up of the following:

- The schedule setting out details of this insurance, the operative sections including any operative clauses;
- The Policy Definitions, General Exclusions and General Conditions which apply to Sections 1/19 of the policy and which must be read with them;
- The Policy Sections, including their terms, conditions and exclusions.

The policy, policy schedule (including any schedule issued in substitution) and all operative clauses are to be read as one contract and words and expressions to which a meaning is given in:

- The Policy Definitions shall have the same meaning whenever they appear in Sections 1-19 except where amended by sectional definitions, wherever the terms appear in bold.
- Each sectional definition of the Policy shall have the same meaning where it appears in that section.

The Contract

In accordance with the authorisation granted to the Managing General Agent AIUA to act as agent to the **insurers** and in consideration of the appropriate premium having been paid, the **insurers** are hereby bound to insure in accordance with the terms and conditions contained or endorsed hereon.

Your policy is a contract between **us**, the **insurers**, and **you**, the Policyholder.

In return for **you** having paid or agreed to pay the premium, **we** will indemnify **you** by payment or, at **our** option, by reinstatement or repair, in respect of loss, destruction, damage, accident or injury occurring or other insured contingencies arising during the **period of insurance**, subject to the terms conditions and exceptions contained in the policy.

Important

This policy is a legal contract between **you** and **us** and designed to be as easy to understand as possible. **You** must make a fair presentation of the risk to **us** at inception, renewal and variation of the policy.

Your proposal, the schedule, **your** policy and any endorsements shall be considered as one legal document. It is important that **you** read all **your** documents carefully and let **your** insurance broker or adviser know immediately if the insurance does not meet **your** requirements or if any information is inaccurate or incomplete. If any changes are required, this may result in changes to the terms and conditions of the policy, or a refusal to provide cover.

We are keen to work in partnership with **you** and avoid any misunderstandings.

Your Obligations under the Policy

The policy imposes certain obligations upon **you** which if not complied with may invalidate this insurance or a claim.

Some of these obligations are expressed to be policy conditions or conditions precedent. These are extremely important. If **you** are in breach of any of these obligations at the time of a loss, **we** will have no obligation to indemnify **you** in relation to any claim for that loss. However, if

a policy condition or conditions precedent is intended to reduce the risk of a loss of a particular kind, at a particular location or at a particular time, **we** will not rely on the breach of that policy condition or conditions precedent to exclude, limit or discharge **our** liability if the breach could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

Steps to be taken if you cannot comply

If **you** are unable to comply with any policy condition or conditions precedent **you** should contact **us** as soon as reasonably possible through **your** insurance adviser. **We** will decide whether **we** might be prepared to agree a variation in the policy. **All policy conditions or conditions precedent remain effective unless you receive written confirmation of a variation from us through your insurance broker or adviser.**

You should keep a written record (including copies of letters) of any information **you** give **us**, or **your** insurance adviser, at inception, renewal or making variation to this policy.

Territorial Limit

This policy is only applicable to losses occurring in the United Kingdom, the Channel Islands and the Isle of Man unless noted otherwise.

Law Applicable

In the UK, the law allows both **you** and **us** to choose the law applicable to this contract. This contract will be subject to the relevant law of England and Wales, Scotland, the Isle of Man or the Channel Islands depending upon **your** address stated in the schedule. If there is any dispute as to which law applies it will be English law. The parties agree to submit to the exclusive jurisdiction of the English courts.

and **you** do not complete these requirements by the required date(s), then **we** may at **our** absolute discretion:

- (a) modify the premium,
- (b) issue a mid-term amendment to the policy, or section terms, conditions and exclusions,
- (c) exercise **our** right to cancel the policy,

If the premium terms or conditions are amended by **us** then **you** will have fourteen (14) days to accept or reject the revised basis of indemnity.

If **we** exercise **our** right to cancel the policy then **you** shall be entitled to a proportionate refund of premium for the unexpired period of cover provided that no claim has been made during the current **period of insurance**.

 - (ii) send to **us** without delay any letter of claim, writ, summons or other legal document served on **you** or **your** household.
 - (iii) supply **us**, at **your** expense, with any details and particulars that **we** may reasonably ask for.

7. Financial or Trade Sanctions

No **insurer** shall be deemed to provide cover and no **insurer** shall be liable to pay any claim or provide any benefit hereunder the extent that the provision of such cover, payment of such claim or provision of such benefit would expose that **insurer** to any sanction, prohibition or restriction under United Nations resolutions, or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

8. Arbitration

If we admit liability for a claim but there is a dispute as to the amount to be paid the dispute will be referred to an arbitrator. The arbitrator will be appointed jointly by you and us in accordance with the law at the time. You may not take any legal action against us over the dispute before the arbitrator has reached a decision.

9. Increase in Risk

You must notify **us** as soon as possible during the **period of insurance** if there is any change in circumstances or to the material facts previously disclosed by **you** to **us** or stated as material facts by **us** to **you** which increases the risk of accident, injury, loss, damage or liability.

Upon notification of any such change **we** will be entitled to vary the premium and terms for the rest of the period of insurance. If the changes make the risk unacceptable to **us** then **we** are under no obligation to agree to make them and may no longer be able to provide **you** with cover.

If **you** do not notify **us** of any such change **we** may exercise one or more of the options described in paragraphs (3) (a) and (b) of condition 4. Claims settlement

1. **We** will pay the cost of work carried out in repairing or replacing the damaged parts of the **buildings**, including subject to **our** prior agreement fees and associated costs but not the cost of complying with building regulations, Local Authority or other statutory requirements if notice of the need to comply was served upon **you** before the damage occurred or these relate to undamaged parts of the **buildings**.
2. No payment will be made in addition for depreciation or loss of value as a result of repair or replacement of or damage to the **buildings**. If the **buildings** have not been maintained in a good state of repair **we** will pay the cost of repair or replacement less a deduction for wear and tear.

Full rebuilding cost means the full cost of rebuilding all the **buildings** in the same form, size, style and condition as when new including the cost of complying with Local Authority and other statutory requirements, fees and associated costs.

Alternatively, if the repair or replacement is not carried out **we** will pay the reduction in market value of the **home** resulting from the damage not exceeding what it would have cost to repair the damage to the **buildings** if the repair work had been carried out without delay.

We will not pay for the cost of replacing or repairing any undamaged part of the **buildings** which forms part of a suite or part of a common design or function when the damage is restricted to a clearly definable area or to a specific part.

The maximum amount payable in respect of any one claim under paragraphs 1 – 12 or 14 – 15 is the sum insured (less any **Excess**) shown in the schedule.

Special Condition of Average

If at the time of any loss or damage the sum insured is less than 85% of the full rebuilding cost, **we** will only pay for that proportion only of any loss or damage which the sum insured bears to such amount. Any **Excess**, if applicable, shall be applied after the special condition of average.

Inflation Protection

The sum insured on the **buildings** is the amount shown in the schedule adjusted monthly in line with the House Rebuilding Cost Index prepared by the Royal Institution of Chartered Surveyors or an alternative index. **Your** annual premium will be based on the adjusted sum insured.

Index linking of the sum insured will continue during repair or replacement following loss or damage provided the sum insured at the time of loss or damage represents the full rebuilding cost and **you** ensure that the work is carried out without undue delay.

Special Conditions

Claims conditions applicable to this Section of the policy

There are conditions contained below which must be complied with or met for **us** to provide cover under this Section of the **policy**.

1. How and when to make a claim

Contact details for notifying **us** about a claim can be found in the How to Claim Section of this **policy**

We will only cover **claims** that **you** tell **us** about during **your period of insurance**.

You must tell **us** as soon as possible when **you** become aware of any cause, event or circumstance which does or may involve **you** and which has given, or may give rise to a **claim**, dispute, legal proceedings or tax investigation.

Where **we** have accepted notification as described above, **we** will treat any later **claim** regarding that notified cause, event or circumstance as though the **claim** had been notified during the **period of insurance**.

We will send **you** an insurance claim form that must be completed and returned as soon as possible.

2. When we will agree to cover your claim

Our consent

We will only cover **claims** where **you** have obtained **our** consent in writing before incurring any **costs**. **We** will give **our** consent for **you** to incur **costs** provided that **you** can satisfy **us** throughout **your claim** that:

- It is reasonable and proportionate (in relation to **your claim**) to incur **costs**
- there are **reasonable prospects of success**, other than Sub-sections of cover:
 - **Employment disputes - ACAS Early Conciliation**
 - **Employment disputes - Employment Tribunals response (ET3)**
 - **Employment disputes - Pre-hearing review/ Employment status disputes**
 - **Criminal defence - Interview under caution**
 - **Court attendance costs**

If during the course of **your claim** **you** no longer satisfy **us** of the above, cover under this Section of the **policy** for **costs** and **compensation** will be withdrawn and any **costs** incurred or **compensation** awarded on or after the date of withdrawal will not be covered whether **we** previously agreed to them or not.

We will make **our** decision on whether to cover **your claim** based on:

- A fully completed insurance claim form
- The information and documentation **we** reasonably request
- A legal opinion from **your representative** on whether **your claim** has **reasonable prospects of success** and any professional advice **we** regard necessary

If **your claim** is accepted by **us**, it does not always mean that all **costs** or **compensation** will be paid, for example **we** will not cover **costs** for things that are not directly relevant to **your claim**. **We** may also limit any cover **we** provide by time, amount or to a specific stage of legal proceedings in order to allow **us** to review **our** continued acceptance of **your claim**.

If after accepting **your claim**, it is shown that **your claim** has not been brought within the terms and conditions of this Section of the **policy**, no further cover will be provided and **we** will recover from **you** any **costs** and **compensation** **we** have paid.

Counsel's opinion

At **our** discretion **we** may also require **you** to obtain a legal opinion from Counsel at **your** expense to satisfy us that there are **reasonable prospects of success** and it is reasonable and proportionate (in relation to **your claim**) to incur **costs**.

If based on Counsel's opinion **we** are satisfied in respect of the above the reasonable **costs** of obtaining that opinion will be paid by **us** subject to the **excess** and the limits shown in **your policy** schedule.

Claims rejected due to a lack of Reasonable Prospects of Success

If **we** rejected **your claim** solely due to a lack of **reasonable prospects of success**, **we** will pay **costs** that are reasonable and proportionate to the legal and/or financial remedy achieved, subject to the terms and conditions of this Section of the **policy** if:

- **You** proceeded with the legal action which formed **your claim** to its conclusion with a Court, Tribunal or equivalent having issued a judgment (excluding any settlement, mediation, alternative dispute resolution or equivalent resolution process) and were successful
- **You** were defending, the judgment found **you** were not at fault
- **You** were pursuing, the judgment awarded **you** the remedy **you** were seeking at the time **we** rejected **your claim**
- **You** tell **us** about it as soon as possible

3. Settlements

You must inform us as soon as an offer of settlement is received and **you** must obtain **our** consent before **you** make or respond to any offer of settlement.

In any settlement **you** must:

- Take into account the prospects of the case and likely future **costs** and/or **compensation**
- Try to recover as much **costs** as possible

If **you** unreasonably reject an offer of settlement which **we** recommend acceptance of or make an offer which **we** do not agree with, no further cover will be provided and **we** may seek to recover from **you costs** and/or **compensation we** have paid.

At **our** discretion, instead of covering **you** for **costs** and/or **compensation**, **we** can choose to pay:

- The damages **you** are likely to be awarded by a Court or Tribunal or
- The amount of money being claimed against **you** or the amount of money the other party will settle for, whichever is the lesser

If **we** choose to do this, then **your claim** will end and no further payments of **costs** or **compensation** will be made.

During a **claim** under Sub-sections of cover - Employment disputes and Employment compensation awards of this Section of the **policy**, **we** can require **you** to offer to pay an amount of money to the person **you** are in dispute with, if **we** have agreed to cover that amount as **costs** or **compensation**.

4. Co-operation

You must co-operate with **us** and **your representative** at all times during the course of **your claim** this includes:

- Allowing **us** and **your representative** to communicate directly with each other about **your** case
- Providing a full and truthful account of **your** case and with all necessary documentation or evidence
- Attending any meetings as required
- Instructing **your representative** to provide **us** with information, documentation or evidence **we** require (even if privileged) and regular updates including when anything negatively affects the factors we took into account in accepting **your claim**.

5. Recovery of costs

If the outcome of **your** case is that another party is found responsible for reimbursing **you** for some or all of **your costs**, **you** and **your representative** must make every effort to fully recover those **costs** which **you** must pay to **us**.

If the legal case was settled and the terms of the settlement do not specify the split between damages and costs then a fair and reasonable proportion of that settlement will be treated as **costs** and paid to **us**.

If **costs** are recovered from the other party then that money will be repaid to **us** first until all **costs** have been repaid

6. Payment of costs and compensation

A copy of all invoices for **costs you** receive from **your representative** should be forwarded to **us** within 30 days of the date the invoice was issued. If **we** require, **you** must ask **your representative** to send the costs for assessment by a Court or Tribunal or to a costs lawyer of **our** choice.

You are responsible for the payment of all **costs** or **compensation**. **We** will reimburse **you** for the **costs** or **compensation** subject to the **excesses** and the limits shown in **your policy** schedule. **We** may settle these **costs** or **compensation** directly if **we** choose to do so.

7. Appeals

If **you** wish to appeal against the judgment or decision of a Court or Tribunal or if there is an appeal against a judgment that is in **your** favour, **we** will consider providing further cover if:

- **We** covered the initial legal proceedings that are being appealed as a **claim** and cover was not withdrawn
- The grounds for the appeal were submitted to **us** as soon as possible and before any deadline set by the Court or Tribunal

If **we** require, **you** must co-operate in an appeal against the judgment or decision of a Court or Tribunal.

8. Instruction and choice of your Representative, Counsel and experts

In all cases **your representative** will be appointed in **your** name and on **your** behalf.

We will choose a **representative** to act on **your** behalf other than at the point of an inquiry or legal proceedings where **you** will have freedom to choose **your representative** subject to **us** approving **your** choice.

You will also have freedom to choose **your representative** if there is a legal conflict of interest between **you** and **us** subject to **us** approving **your** choice.

When selecting **your representative**, **you** must have regard to **your** duty to minimise the cost of any **claim**.

The name and address of **your** chosen **representative** must be notified to **us** in writing. **We** will accept **your** choice if:

- **We** are satisfied that **your** chosen **representative** will co-operate with **us** and enable **you** to comply with the terms and conditions of this Section of the **policy**
- The **representative** has the necessary experience to deal with the dispute
- The **representative's** charging rates are fair and reasonable in regard to the dispute

A dispute arising from **your** choice of **representative** may be referred to arbitration in accordance with Important information – How to make a complaint.

You must not enter into any agreement with **your representative** as to the basis of calculation of **costs** without **our** written consent.

If in any **claim** **your representative** wishes to instruct Counsel or an expert the following must be submitted to **us** for **our** approval:

- The expert's or Counsel's name
- Details of their expertise
- Charging rates and estimated cost
- An explanation of the need for such instruction
