CLADDING

UNDERWRITING QUESTIONNAIRE

Name of Insured:

Full business description:

Please provide full details to the following question set:

Where are the products sourced?

Is there any involvement with high rise buildings, if so, please state height/storeys?

Are façade and insulation materials fire resistant or non-combustible?

Do you use High-Pressured Laminate (HPL) or Aluminium Composite Material (ACM)?

Do all materials comply with building regulations?

Are you in anyway responsible for the design and/or manufacturing of cladding?

Will all materials be installed according to the manufacturer's recommended use of the product?

Who designed the cladding system?

Have any cladding systems you have installed failed fire safety tests? If yes, have they been replaced?

Are you aware of any cladding systems you have installed that have not been inspected, but would fail fire safety tests?
